Invitation to Submit Interest Letters

Request for Proposal 15-3

Information Technology Managed Services

On July 15, 2015, the Board of the Contra Costa Transportation Authority will consider authorizing the issuance of Request for Proposal (RFP) 15-3. The purpose of RFP 15-3 is to obtain proposals to provide comprehensive technology support for the Authority's computing, network, multimedia and communication systems. The scope of services will include, but not necessarily limited to: technology strategic planning, systems analysis and process improvement, technology procurement, network and systems administration, data security and storage, and desktop user support for computers and mobile devices.

Companies interested in being considered in this RFP selection process are asked to submit an interest letter by **July 31, 2015**. Please include a brief description of your company, the services provided, and the contact information for the person to receive the RFP specifications. Once authorized by the Board, the Authority will develop RFP specifications and other important information required by companies to submit a proposal. Interest letters may be by sent to:
